NEWS AND INFORMATION | FBC ALVARADO, TX

JULY 2021

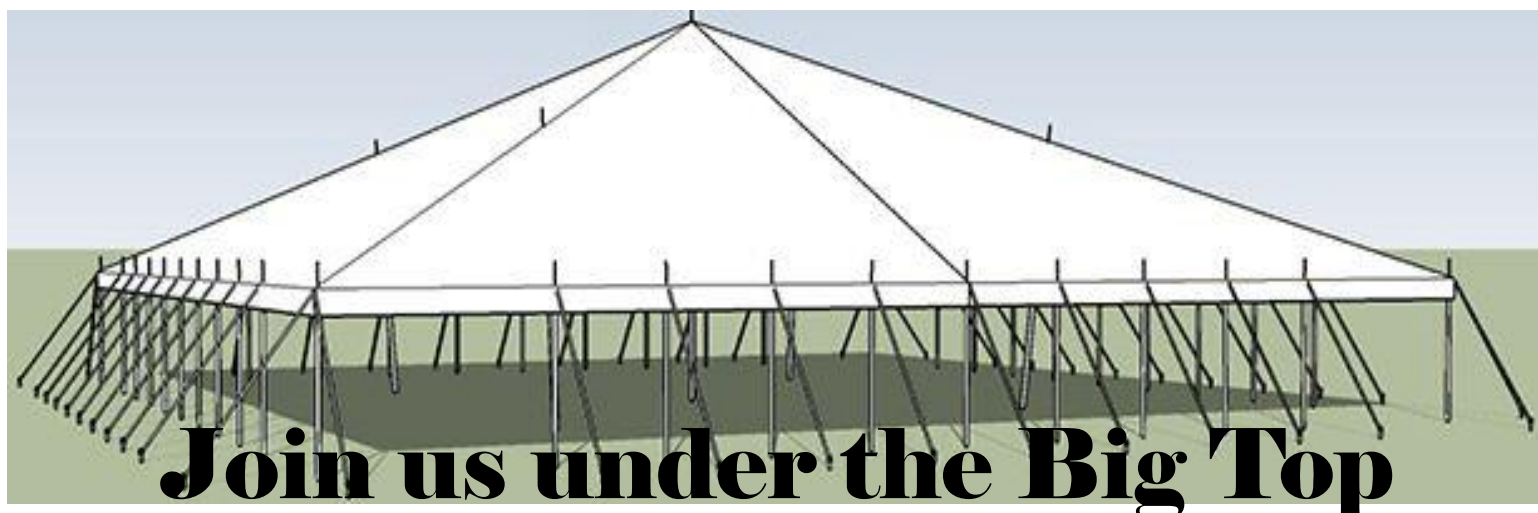

July, “here we go!” Entering July, it’s been more like, “here we mow!” The periodic rain we have had as of late has been a big blessing for slightly cooler temperatures and lake levels, but it also means keeping up with the grass height. I’ve found mowing once again to be a very mechanical and therapeutic activity. It gives plenty of time to think...to pray...to unburden our heart...to listen to God’s prompting voice...to give Him praise. Even the mundane can be miraculous when God is in it!

Spending time with a lost relative, friend, or neighbor may not be on our radar this month, but what God could do with that! Inviting someone to church with you...sharing your testimony with them...asking them about their relationship with God...demonstrating God’s love to them in some way...may just be the doorway through which the Lord could finally reach them with the gospel message of Jesus.

Rebuilding God’s church, especially FBCA, requires us doing the mechanical and mundane things. But what an opportunity to see Him do a great work in our community — and beyond.

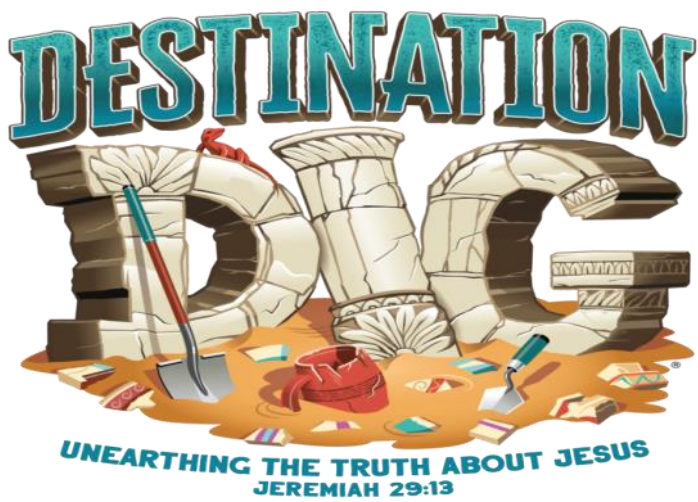

Church family, be looking next month for how you can jump on board with 4 outreach plans of actions our outreach team has in mind for us — prayer walking...new neighborhood saturation...greeter ministry...tech ramp-up. There is a place for you to serve on God’s great rebuild crew!
