

A Church that equips you to be faithful & fruitful.

This week I've spent several days in Jacksboro working SBTC Disaster Relief following last week's tornado damage there. A chainsaw/recovery unit from NW Arkansas accomplished much of the work in damaged neighborhoods. With only 2 jobs remaining, early Wednesday morning they started receiving calls and texts from loved ones and friends that storms had just roared through their home area, causing tornadic damage. Ironic -- while working in a tornado damaged area, they are now called to do the same thing in their own home area.

We must do the same thing with missions. We put forth effort to go and serve willingly on a foreign or distant field, ministering to needs and sharing Jesus -- that has so much value! But how about when that same need shouts at us from our home territory? Will we put forth effort and serve willingly on those fields one house over or one street away? There is just as great a need and just as valuable a task. Think about it! Pray about it! Do what God asks you to do about it!

April is an exciting month! We say "Bless you!" to our longtime pianist and friend Shelia Turner. We celebrate "Resurrection Day!" (for everybody else out there, that's Easter). We do some much needed clean-out / clean-up on and around the church facility. Plus, student ministry gets our focus with plans for camp and leadership. Pray much over these things and participate, church family!

As always, I am grateful to be your...
