**Lessons From The Boat:**

Fishing with 3 other friends on a boat reminds me about what it takes for FBCA to function effectively. First, each person on the boat fulfills a vital role for which they are particularly equipped and designated. The boat captain, spotter, deck hand (and, of course, the fisherman) are all vital to the boat operating successfully.

When it comes to the “fellow-ship” of the vessel of FBCA, what is your role? How has God equipped you? To what place of service has He designated you? Where/How are you to serve? Recently we had a “First Steps” New member class— If you missed it we’ll have another one on June 26th at 9:20 am! Part of the class is to help you find and put into practice your spiritual gift(s). Be sure you are serving where/how God wants you to serve.

My second lesson is how well the boat operates when all are willing to jump in and lend a hand wherever it is needed. When everyone is willing to actively serve, if someone needs bait, a water, replacement tackle, or a picture taken, those needs are effectively met.

Ephesians 4:16 reminds us that, when each part is working properly (that) makes the body grow so that it builds itself up in love. Don’t stand around waiting to be asked to help out/serve. Instead, step up, step out and actively serve!

*Serving with you, Pastor Wade*

*P.S. A great place to start serving is in June’s VBS!*
