

# A Church that equips you to be “Faithful & Fruitful.”

Church Family,

Hello! The Deacon Body is grateful for an opportunity to communicate and provide an update on the Interim Pastor search. Let us first say thank you for the continued prayers as we collectively seek God’s will and to faithfully walk according to His path. Hopefully you were with us Sunday for the Deep Dive into the process, but worry not if you missed it! It is available on FBC Alvarado YouTube Channel and if you would like help subscribing, please reach out. Sunday, May 11th, is important for two reasons. First, it’s Mother’s Day (this is also a plug for Dessert Auction Youth fundraiser)! Second, Dr. Al Meredith will be coming in view of a call for Interim Pastor which will be voted on at the end of the service. We are grateful to Wade Taylor for 30 years of service to FBC Alvarado and excited to be a part of what God is doing next.

Jacob Wheat  
Deacon

## Youth Dessert Auction May 11, 2025

*Get mom a sweet treat and support the youth!*

I want to thank you all for the dedication you have show in raising funds for the youth to go to camp. I now ask for prayers that our youth will be uplifted and encouraged during the summer. We are SOLD OUT! For the first time in three years, we have more students in youth than are going to camp. This is a good problem to have. The reason we are not able to take all of our students is because of space at the camp. I look forward to seeing how the students who do go to camp are able to grow.

TJ Arango  
Associate Pastor of Students

On **Memorial Day**, we remember those who gave their lives to preserve our freedom, and we pray for the families they left behind.

As we honor them, remember The One who died for our freedom, who conquered death so that it no longer has the final word!

What a wonderful Easter Sunday! What a great job the choir and tech crew did to remind us of the enormous sacrifice our Lord and Savior made on our behalf! I am so grateful to be able to be a part of such a wonderful group. I look forward to many more times like this as we seek to follow Him and make Him known.

I mentioned before the service that there were some challenges we were facing to produce such a service. It is a huge testimony for our tech crew, especially Nicole Wheat, that no major tech issues occurred when so many had taken place in almost every rehearsal prior. Unfortunately, the situation is becoming worse as our outdated tech is becoming more difficult to use effectively. Because of this, I would like to ask for you to consider helping us purchase a new computer to not only alleviate the current issues, but to help us to provide more media in our services. This is now almost impossible to accommodate at thistime. A new computer would allow us to bring presentations which could reach more and move more hearts as the Lord directs. If you would be interested in helping, please let us know. Thanks again for your support on behalf of the choir and worship/tech teams. We look forward to great things soon!

Travis Sampson  
Associate Pastor of Worship
